Friday

Check out the [Website](#) to sign up for the days that interest you, or grab a whole week ticket and enjoy the freedom to come and go as you please.

If you know someone who would benefit from joining us at Winter School but isn't on the Herald mailing list, especially educators and Students, [email us](#) and we will pass on the booking information

Hardware, software and sounds

DPA Binaural Headset

DPA have created an alternative to poking 4060's into your ears for recording binaural sounds. This lightweight headset allows comfortable, discreet and tidy placement of microphones. Read all about it [here](#).

Pro Sound Effect Sale

Pro Sound Effects are having a sale, currently the Hybrid library is half price. Check in regularly as the offers are changing every week. Find out more [here](#).

Waves MyMon App launched

The MyMon app runs in conjunction with the Waves LV1 system. It allows the user to remotely access levels, EQ and pan. Up to 16 devices can be added at once. Find out what PSN Europe thought [here](#) and read about the LV1 [here](#). You can also download the app for android and iOS [here](#).

Bumblebee Pro

Are you looking for a complex jigsaw puzzle for the New Year lull? Look no further than Bumblebee Pro Audio. They can send you a ribbon mic kit for £370ish (Prices in Euro) Check out the website [here](#).

Interesting reading

Rochester University have been playing in the ice, hear their recordings and find out about their research [here](#).

KV2's Co-Founder George Krampera talks to PSNE about his quest for better sound. Read the article [here](#).

Brush up on your binaural skills with this [great article](#) from the DPA university.
