New Seminars Announced!!

Check out the [events page](#) of the website for details on our latest seminars. Dominic Bilkey is heading up three computer networking seminars, Beginners, and Advanced, in London on October 26th, and a Beginners session in Cardiff on November 7th.

OISTAT 50 Cardiff

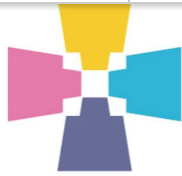

Thanks to all members who joined us at OISTAT, the fun went on well into the night.

Thanks also to all the members who joined us for a drink at our Summer Social. The event could not have happened without our amazing Corporate member sponsors, so a special thanks is due to them.

From Our Friends

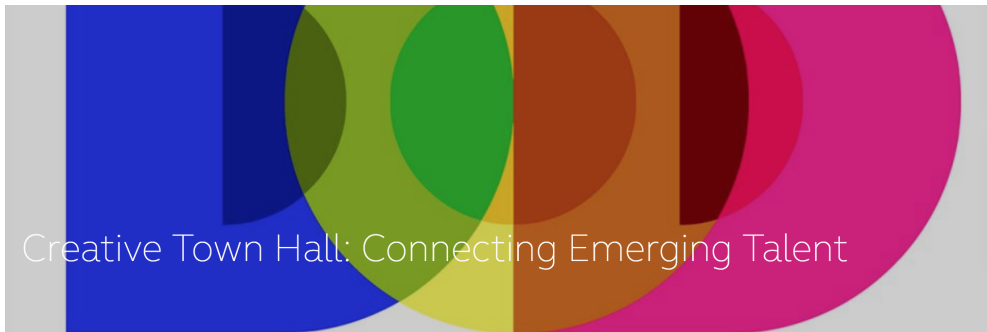

backup

the technical entertainment charity

Backup, the charity that supports theatre technicians in difficulty, is now available to be your Amazon Smile choice. Follow instructions [via the website](#) to make a difference every time you shop on Amazon.

While you're there, check out all the goodies in the brand new Backup [shop](#).

Donmar on Design: Creative Town Hall

As part of their Donmar on Design season the Donmar are holding a special event, to connect emerging sound designers with other designers and directors. "On the day you will deliver a quick-fire presentation accompanied by a few images, a short video or a couple of sound clips that represent your work. The aim being for you to find future collaborators who share your creative ideas." There are limited places, apply via the [website](#).

Sound Pro 18

SoundPro'18

For  Institute of Professional Sound a **resolution**/ event

IPS are hosting their annual SoundPro event at Ealing Town Hall on October 6th. They've got loads of seminars planned, plus the chance to have a go at being a Boom Operator. Find out all the details [here](#).

Hardware, software and sounds

Zoom VR mic recorder

The Zoom H3-VR virtual reality audio recorder promises to be a complete solution for capturing and processing spatial audio for VR, AR and mixed-reality content. With a built-in Ambisonic mic, recorder and decoder, the H3-VR puts 360-audio in the palm of your hand. Find out more, and watch the fantastic video [here](#).

DPA 6060

DPA have just announced their latest tiny microphones, the [6060](#), 6061 and 6066 headset. There are some really helpful recordings to help you understand how they'll react to different placements on a performer. Read what Audio Media International thought [here](#).

ClearCom Apple Watch

ClearCom announced the European launch of their Agent I-C software at IBC2018. The system now supports the Apple Watch, so you'll have no excuse to miss a comms call ever again! Find out what Audio Media thought [here](#). Get the full tech specs on the [ClearCom](#) site.

Interesting reading

[Production Futures](#) takes place in Wakefield on November 7th, They're currently looking for nominations for the [TPI Undergraduate](#) of the year award. Get nominating now!

Not really reading, another listening one, but if you have a few minutes spare, check out this binaural documentary season called [In My Head](#) on the iPlayer radio app or site.
